SPOTTED!

PLEASE keep your eyes peeled... If you spot anything, and we really do mean anything of interest (silly or serious or even just slightly interesting) in the village - please let us know.

Send to gary@cublingtoncrier.co.uk **THANKS**

Spotted

Kevin Shults standing in the middle of the High Street photographing pot holes! A new hobby of yours?

All potholes please report to FixMyStreet.buckinghamshire.gov.uk

Spotted

Well they've been but not done a very good job. This one outside the pub won't last five minutes... till the next time it rains! Dreadful workmanship!

PS the cone has gone missing now!

Spotted

A collapsed sleeper bridge down by the stream. Regular dog walkers will know where it is. Beware as it's also slippery.

Spotted

The second time I've posted a picture here. Inconsiderate and lazy vans turning round down at Ridings Cottage... and just driving down the verge! WHY? PLEASE INSTRUCT YOUR DRIVERS TO KEEP OFF THE VERGES! UNNECESSARY

Spotted

The first daffodils out at Yew tree House in full flower during the second week of January. Bonkers.

Spotted

North Field volunteers enjoying coffee and a bacon roll after their efforts on Saturday morning.

Spotted

Cubby made it all the way to Iceland last week! The country not the store!

Spotted

The pond almost overflowing after the recent rains!

Spotted

A badly corroded and potentially dangerous footpath signpost in need of replacing in Silver Street, Is this also done through Fix my street?.

Spotted

Lots of new solar panels down Silver Street - we must be one of the greenest/eco friendliest villages!

Spotted

BTW. Nice to see the pub lights on occasionally on these dark winter nights.

Welcome to February, the shortest month of the year, a month of love, romance, and the promise of Spring. Our third month of winter, with longer warmer days just around the corner.

Happy Valentines day.

Maybe we will get the chance to toast all in our village pub this year.

*How do I love thee? Let me count the ways.
I love thee to the depth and breadth and height
My soul can reach, when feeling out of sight
For the ends of being and ideal grace.
I love thee to the level of every day's
Most quiet need, by sun and candle-light.
I love thee freely, as men strive for right.
I love thee purely, as they turn from praise.
I love thee with the passion put to use
In my old griefs, and with my childhood's faith.
I love thee with a love I seemed to lose
With my lost saints. I love thee with the breath,
Smiles, tears, of all my life; and, if God choose,
I shall but love thee better after death.*

Panto!!

it's that time of year again - Oh no it isn't! (we hear you cry)

Tickets are on sale from the 1st of the month and you don't want to miss it. One of the highlights of the Cublington calendar!

Boops!

No one seems to have spotted the huge error in the last Crier. Not the proof reader, nor the printer. Maybe I'll just keep quiet then, as if it didn't happen.

Answers on a postcard to:

Allotment?

If you are a Cublington resident and fancy growing your own vegetables then you may need an allotment. If interested please contact Maggie on maggie@margaretbrandon.plus.com

Sorry to hear

Jane lost another horse very suddenly recently. Condolences from us all.

The Crier in full colour!

As we are funded through advertising and the occasional donation, we can only afford to print the outer four pages in colour.

We are aware that many of the articles benefit from being seen in full colour. That's why every month, if we remember, we also upload a colour pdf version to the Cublington.com village website. Have a look! Ed

Foraging in Cublington

I have avoided the parsley family - (Cow Parsley, Alexander...) as these can be difficult to distinguish from other poisonous plants in Cublington.

When foraging, only pick what you know to be edible and leave some for others, allowing for regrowth.

Chickweed is often overlooked, delicious in salads and full of vitamins. A low growing green plant on the side of paths in the village.

Dandelion - Nice in salads. Use the leaves, flowers and roasted roots.

Nettles - A superfood, young shoots in spring can be fried as asparagus or the leaves made into pesto, soups and tea. In the autumn the female seeds can be toasted and added to salads.

Sheep Sorrel
Identified by the little teeth at the base of the leaf, it grows in fields of grass.

One of my favourite wild herb, which is great in salads and high in vitamins. It can be found just over the river, across the wooden bridge, the undulating field called Devils Ground is full of it.

Sticky Willy, Goosegrass or Cleaver, another superfood. Great for Pesto. Leave overnight in the fridge in fresh water and use as a tonic drink. Found around the cricket ground and in the North Field hedgerow.

It is a member of the coffee family and the seeds, when toasted, are a coffee alternative (includes a little caffeine!).

We've had two deliveries of chipped bark from village residents who were having some tree work. This chipped bark is a great help in providing material to top up the mulch around our trees and is being used on very wet areas of the footpaths. If you're having sometime work done and don't want to keep the bark chippings, give me a call if there is an opportunity for any chipped bark to be delivered to North Field; most contractors are very happy to tip this locally rather than transport it away.

Walking through the Wilderness

It's not all that long since the Church celebrated Christmas, when we celebrated the birth of Jesus Christ, as a light shining in the darkness... and yet, it probably also feels like a very long time ago, so much having happened since then. This month, the Church begins its observation of Lent – the season when we remember the forty days and forty nights Jesus spent in the wilderness, without food or drink, leading into the time when we remember Jesus's death and resurrection on Good Friday and Easter Sunday.

Lent is traditionally a time of penitence, reflection and spiritual preparation. To remember how Jesus was tempted by the Devil, many people choose to abstain from various things they enjoy, such as chocolate, alcohol, social media, coffee, or tea. But many people choose to take something extra on during Lent – such as making time for extra reading, prayer, or going the extra mile to serve others.

Lent can be a challenging time. In the Bible, we read how when Jesus was in the wilderness, He was challenged and tempted by the Devil. Think of how hungry and thirsty Jesus will have been... oh, how much He might have loved to turn those stones into bread to eat... but, no. Christ did not give in. Christ did not give up... but the Devil did.

I think we can take from this a message of hope. Jesus never gave up, in all that He endured – from the wilderness to the cross. Jesus came through the wilderness. The Lord of Light and Love defeated the Devil, darkness and death at that first Easter, when Jesus died and rose from the dead, offering us the gift of eternal life with Him. And no matter whatever hardships we might sometimes find ourselves in along the way... never give up.

For most, Lent is a set period of forty days and forty nights, with a clear start and a clear end. But for many people, they find themselves trapped on a much longer walk through the wilderness... think of those who suffer from war, poverty, illness, or persecution. They have little or no choice – and for them, there is often no clear end in sight. Lent is a time we are called to remember these people – and, if we have an opportunity, to bring them the light of Christ, in ways of love, service, a helping hand, and the Gospel.

What might you do for Lent... will you be giving up your favourite snack, or finally making some time to read that dust-covered book? As I write this, I still have yet to decide what I'll be doing for Lent. But whatever you do, I encourage you to spare a thought or a prayer for those who are on a longer walk through the wilderness – praying that they, and indeed the whole world, may know and experience God's hope, light, love, and peace.

LATEST UPDATES

North Field Update

It's been a busy few weeks for the North Field volunteers using the donated chipped wood from the trees in the village that have have been pollarded, had their canopies lifted or where hedges have been grub out and replanted. The latest source of wood chipping is from Kaiden who has been fundraising for a school trip, his latest enterprise was to take any Christmas trees from around Cublington and Aston Abbots for a modest fee. These were stored on North Field and chipped. North Field will use these particularly around some of the very muddy paths on the far side of the field. A donation has been made for Kaiden's school trip fund. North Field is very grateful for the donations of wood chip, if anyone is having some tree work done and doesn't want to keep the wood chip, ask the contractor if they can take it to North Field.

We have sixty tree and hedging whips arriving soon from the Woodland Trust, these are donated free to community groups, schools and small charities who have a woodland project. Some we will plant out on the field and in the hedgerows straight away, the rest will be planted in a nursery area for later use. One task this autumn has to move around 50 small trees out onto the main field and into the hedgerows; these had been planted 2-3 years ago as tree whips and provided a very useful resource.

We are exploring possible funding to refurbish the old pond that was in the far corner of North Field, the area is still very wet there with willow trees, several of which have fallen across where the old pond is. The plan is to put a new pond next to the old one, two water supplies have been identified including the water now being drained from the cricket pitch and outfield areas, this drainage work was completed in April of last year, funded by the Heart of Bucks Foundation and Orchard Ground

Dates for the North Field working groups for the new year are as follows.

All Saturdays 9.30am until 11.30/45ish

14th February; 28th February;

14th March and 28th March.

Please come along and have a chat to the volunteers to see what we are doing on North Field. It's a great way to meet new people if you've recently moved into the village. We have had several young people complete their Duke of Edinburgh Awards -

Community section by volunteering on North Field. Do come along for hot drinks and bacon rolls at 11.45am at the end of our work mornings.

Please contact Martyn Waters for any information about North Field: Martyn.waters@icloud.com. M: 07973754356

THE UNICORN PUB IS STILL CLOSED

Whilst the village hall committee arranged weekly social get togethers with their 'Wine Down' events on Wednesday evenings at the Village Hall with monthly pizza evenings, and Orchard Ground arrange fortnightly 'Orchard,' events at the Pavilion with regular food vendors, the village is still very much missing it's pub. We've heard of various gatherings of people meeting in some rather odd places to catch up with friends, to have a drink and to huddle together to keep warm as there is no option to visit the pub and get warm by one of their log fires. The picture here shows 'men of a certain age' gathering in an outbuilding in the village, to have a chat, enjoy a beer and to keep warm.

To help keep the facts alive that the village still has no pub after it closed 18 months ago, it would be great if similar pictures could be taken of people meeting up in unusual places in the village, getting together for a chat and a drink. Unusual places might include out under umbrellas, in a local stables, in a horse box, or a sheep pen, at the bus shelter or at our 'walking in library,' in a garden shed, over at the allotments or somewhere else that springs to mind. Please send your pictures in Jpeg format to the following email address: unicorncublington@gmail.com. We will publish the best ones in The Crier and add pictures to our website: savetheunicorn.org

As Valentines Day is fast approaching in the calendar, (guys it's the 14th February, the same date as last year!) and as the pub is still closed, that romantic meal for two you were planning could perhaps take place elsewhere in the village. Possible venues for this special meal might include any of the above alternative venues or somewhere else you have in mind. Please send your staged pictures in Jpeg format to the above email address, (all in the best possible taste!). We will publish the best ones in the Crier and add these to our website.

SURVEY RESULTS

SAVE OUR PUB

Friends of the Unicorn Cublington – January 2025 **SURVEY RESULTS UPDATE**

Thank you to everyone who has completed the survey regarding what people would like to see in The Unicorn when it reopens.

We are now able to publish some initial results.

- ☐ 78% of respondents were aged over 45 with the majority over 60
- ☐ Prior to closure, nearly 60% visited at least monthly, with a significant cohort of weekly regulars. Usage was balanced between drinks, meals and community occasions, confirming that The Unicorn historically functioned as a social hub rather than a pure drinking establishment.

The strongest drivers for future visits when the pub reopens are

- o Socialising with friends, family & neighbours (86%)
- o Meals out (81%)
- o Community Events (60%)
- o Celebrations i.e. birthdays (60%)

Open text comments repeatedly state

- “a real part of village life”
- “a refuge on a dark winters night”
- “essential to social cohesion”

We will be publishing more results in the March Crier but in the meantime the survey is still open so if you haven't had a chance to complete it there is still time to do so. It would be great to get some more input from the younger generation in the village.

Please use the QR code above to complete the survey – all answers are in the strictest confidence. If you are unable to access the QR code the web address is www.surveymonkey.com/r/KFRG2MW

volunteers wanted
now for
2026 please!*

You may have noticed a slight change to the normal schedule this last growing season. To try and keep days between mowing more equal. Volunteers are allocated a weekend as a target but can work either side of it depending on other commitments or inclement weather.

We're now looking for volunteers to do a slot for this year's rota!

Contact Dennis on 07748525145 or email djandpallen@gmail.com if you can help in any way!

Need a plumber, a carpenter, a builder, a decorator or electrician?

I hold a directory of tradesmen who have been recommended by someone using them in the village.

The Crier says - "Ask them if they want to advertise in the Crier."

You can pass on recommendations in confidence or even better if you are happy to show off their excellent handiwork to others or be called to provide a reference, please let me know that as well.
